Mr. Belsito Mr. Laramée

Each year the Yearbook is dedicated to a staff member who stands out because of hard work, leadership, and an overall positive attitude. This year we have chosen two people who appropriately fit these standards. The individuals we have chosen are Mr. Belsito and Mr. Laramée.

Mr. Belsito

Mr. Laramée

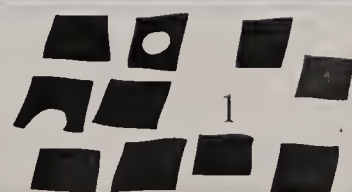

Mr. Belsito started as a teacher in Leicester thirty-eight years ago and has been here ever since. He always makes sure that the building runs smoothly and the students are safe. Mr. Belsito is loved for his great attitude, faithfulness, keen judge of character and patience. In his tenure as Principal and Assistant Principal he has touched the lives of many.

Mr. Laramée has been working in Leicester for thirty-eight years and has done a wonderful job every single year. He always puts his students before himself and always finds a way to make learning fun. He never lets a student fall behind and always makes sure no one is left out or made fun of.

GAMES

Wii & PS3 Consoles

By Tyler Keenan &

Jeremy Frotten

The rivalry between the PS3 and the Nintendo Wii, is the biggest system rivalry since Atari and ColecoVision.

They both have similar features, including the Bluetooth controllers. The two systems are both backwards compatible. Meaning, the Wii allows you to play Gamecube games, and the PS3 can play PlayStation games. However, the graphics won't be as good on either system.

One of the biggest differences in these two systems is the controllers. The Wii is motion sensitive, and makes the player move with the game. The PS3 has a standard remote.

Mr. Belsito Retires

By Nicole Dominy & Katie Piscopo

After thirty-eight years in education, Mr. Belsito has decided to retire. He started out as an eighth grade Language Arts teacher at Leicester Memorial School and then became Assistant Principal. After 25 years as the assistant, Mr. Belsito became the Principal of Leicester Middle School. He will be missed and we wish him the best of luck.

SPORTS

Boys & Girls Soccer

By Allison Bostock

The Boys and Girls Soccer teams both had successful first seasons. The Boys team finished 6-3-1 and the Girls team finished 8-2-1.

Boys & Girls B-Ball

By Sean LeBlanc

The Boys and Girls Basketball teams also had successful seasons. The boys team finished with a record of 12-5. The Girls team, played much better than their record of 4-13 shows.

Softball

By Shelby Looney

This was the first year for the Leicester Middle School Girls Softball team. Unfortunately, this yearbook was printed before their season started, but we wish them the best of luck.

LOCAL

In the Summer of 2006, Dunkin Donuts opened in Leicester Center, in the Spring of 2007 Walmart opened on Route 9.

The opening of these two stores in town have brought jobs to High School students and gave local residents a more convenient place to shop.
